CHC National Conference Registrations Open

The Complementary Healthcare Council (CHC) of Australia announces that delegate registrations are now open for the CHC National Conference and Industry Awards 2013, 3 to 5 September, Sofitel Sydney Wentworth.

“The Conference is the number one industry event of the year designed to inform and update delegates regarding three key areas in the Australian complementary medicine industry: science, politics and commerce”, said CHC Executive Director, Dr Wendy Morrow.

“The Conference will bring together a diverse range of International and Australian speakers to explore the theme ‘Evolution or Revolution...the future of complementary medicine’, such as the Head of the TGA Dr John Skerritt; Prof Alan Bensoussan, NICM Director; the Vice-Chair of the Canadian Health Food Association Mr Ryan Benn, along with other academics, CEO’s and industry leaders”, said Dr Morrow.

Delegates will be the first to benefit from stimulating presentations highlighting cutting-edge research, innovation and product development.

For more information and to register visit the [CHC National Conference 2013](#).

The Industry Awards event will be held on the evening of 4 September 2013, at the same venue.

The Complementary Healthcare Council of Australia (CHC)

The CHC is the peak Australian industry body committed to a thriving and sustainable complementary medicines and healthcare products industry. We believe in a holistic healthcare model based on the prevention of illness, long-term community wellness and consumer choice.

We are 100% for the complementary medicines and healthcare products industry, as distinct from the pharmaceutical and over-the-counter (OTC) medicines sector.

Our Board and membership represent complementary healthcare industry stakeholders such as importers, exporters, manufacturers, raw material suppliers, wholesalers, sponsors, distributors, health-food retailers, health practitioners, consultants, consumers and marketers. Collectively, our members engage with and are driven by Australian consumer choices every day.

Complementary medicines and natural healthcare products cover products such as vitamins, mineral and nutritional supplements, special purpose foods, natural cosmetics, herbal and homoeopathic medicines, and aromatherapy products.
