Regulatory Impact Statement for medicine labelling

Dear CMA Member,

Following public consultation undertaken in 2012, the TGA has prepared a [Regulatory Impact Statement](#) outlining options to address medicine labelling issues.

The following documents are now open for public comment to **Tuesday 7 October 2014**.

The CMA will provide a submission in consultation with Regulatory Technical Committee members.

Resources:

- [Therapeutic Goods Order \(TGO\) No. 79 Standard for the labelling of medicines](#). If adopted, this will replace the current labelling order, TGO 69

P1030 Health Claims - Formulated Supplementary Sports Foods & Electrolyte Drinks

Food Standards Australia and New Zealand (FSANZ) has commenced a health claims consultation to permit formulated supplementary sports foods (FSSFs) to carry health claims about physical performance and sport-related beneficial physiological effects (beyond the current limited permissions) and to enable electrolyte drinks to make self-substantiated health claims.

Action: CMA is seeking comments from members on the FSANZ proposal P 1030. Please provide comments about this proposal to Emma Burchell at submissions@cmaustralia.org by **Tuesday 23 September 2014**.
