

## Call for comment - Notifying TGA about sponsor transfers

Dear member,

To improve and facilitate the process of notifying the TGA about sponsor transfers, the TGA are proposing to publish explanatory material that describes the relevant legislative provisions in the Regulations and the process for notifying TGA about such changes.

It is also proposed TGA adopt revised and simplified forms to be used by sponsors for:

- Notification of change of sponsorship after death, bankruptcy or winding up of sponsor
- Notification of transfer of sponsorship after transfer or assignment of business or therapeutic goods to new sponsor

As the explanatory material and forms are being prepared to assist sponsors, any member feedback in relation to them would be appreciated. In particular comments are sought on the type of information that should be included in the FAQs in the background material to be published to the TGA website.

Comments can be sent to [submissions@cmaustralia.org.au](mailto:submissions@cmaustralia.org.au) by **Friday 23 January 2015**.
